## FROM FATHER RANING

A motorist with poor eyesight was driving through a dense fog and was trying desperately to stay within range of the taillights of the car ahead of him. As he squinted and worried his way along, trying to stay on course with those taillights, the car in front suddenly stopped, and his car hit the car in the front. The driver of the rear car got out and demanded to know why the other driver came to such an abrupt stop. "I had to," he replied, "I'm in my own garage!"

First Reading: God promises to gather the people and end their suffering.  
*What signs of God's activity do I detect in the Church today?*

Second Reading: Jesus is our representative before God.  
*What problem or need do I want Jesus to take before God today?*

Gospel: Jesus helps a blind man to see.  
*For what do I need Jesus' help to "see" more clearly about my life today?*

## Annual Catholic Mission Church Appeal.

In Hakha, a remote town in the mountainous north of Myanmar, St John's School is educating local children with a child-centred methodology. Three of the teachers at St John's have been trained through the Pyinya Sanyae Institute of Education (PSIE) in Yangon, and have been posted to this school to help local children learn in a modern way that maximises their potential. Your support through Catholic Mission can enable PSIE to continue training teachers and help improve education across the country. You can also help St John's School add grades to ensure continuity of education, and become economically sustainable. You will have an opportunity to become an integral part of this inspiring work by joining as a monthly giving partner. This regular contribution will directly support education in Myanmar.
