From Father Raning

A man visited a therapist because he had a fear of monsters living under his bed. The man had been seeing this doctor for months. Every time he would come in, the doctor would ask, "Have you made any progress?" Every time the man would say "No". The man decided to go and see another doctor. When he went back to his first doctor, the doctor asked, "Have you made any progress?" he said "Yes! I am feeling all better now!" The doctor asked, "What happened?" The man said, "I went to another doctor and he cured me in one session!" The doctor asked, "What did he tell you?" The man said "He just told me to cut off all four legs of my bed and leave no space for the monster!"

First reading: Jeremiah knows that God is with him in his troubles.
What gives you confidence God is with you in times of trouble?

Second reading: Jesus' death and resurrection began the overthrow of evil's power in our world.
What can I do today to increase the amount of good and lessen the amount of evil?

Gospel: God's care extends to the minute details of our lives?
In what details of my life have I experienced God's care?

*Saints Peter and Paul who shed their blood for Christ,
Pray for us*

CORONAVIRUS PRAYER

Lord God, we entrust to you the families and communities affected by Coronavirus, wherever they may be. We pray especially for health care workers, that you may guide and protect them. We pray that your Spirit might inspire those researching new medicines and treatments, and in the midst of this, keep us strong in faith, hope and love. Grant us the courage and perseverance to be good neighbours. May the words of your Son Jesus Christ in the Our Father, be our prayer as we entrust ourselves and all of us who are affected to your infinite power and love.

AMEN

Holy Hour for Vocations

Have you discovered yet that there is more to life than what only material things have to offer? We live in the Spirit. Only in the Lord can we find lasting peace. Speak the Good News.

Moments of Mercy

"I am love and Mercy Itself. There is no misery that could be a match for My mercy, neither will misery exhaust it, because as it is being granted - it increases. The soul that trusts in My mercy is most fortunate, because I Myself take care of it." (1273, page 459)
