## From Father Raining

Gerry was walking down a sidewalk in Washington D.C., with a Native American friend who worked in the Bureau of Indian Affairs. It was lunchtime in Washington. People were husslin' and busslin' along the sidewalks, and car honks and hurried engine noises filled the streets. In the middle of all this traffic, Gerry's friend stopped and said, "hey, a cricket!"

"What?" said Gerry.

"Yeah, a cricket," said his friend. "Look here," and he pulled aside some of the bushes that separated the sidewalk from the government buildings. There in the shade was a cricket chirping away.

"Wow," said Gerry, "How did you hear that with all this noise and traffic?"

"Oh," said the Native man. "It was the way I was raised ... what I was taught to listen for. Here, I'll show you something."

The Native man reached into his pocket and pulled out a handful of coins ... nickels, quarters, dimes ... and dropped them on the sidewalk. Everyone who was rushing by stopped to ... listen.

- We with our busy lives, rushing down highways and byways, preoccupied with our own inner thoughts and expectations, what do we hear?
- Where is your focus? What are you paying attention to? What are you listening to?

Mary listened...

She showed us that her whole being was so profoundly open to the Spirit that God filled her entirely with his own life and Jesus our Savior was conceived in her womb.

## Resumption of some Ministries

For most of this year we were unable to fully engage our wonderful parishioners in many of the roles in Mass. With COVID restrictions easing, and as we transition towards Christmas and Masses with larger attendances, we are in a position where we kindly seek the assistance and support of:

- **Ministers of the Eucharist**, (will be required to wear a mask when distributing the Blessed host)
- **Readers and Commentators.**

Rosters for these are about to be prepared and if you are available to assist, please contact the Parish Office as soon as practical. Thank you!
