From Father Raining

A man was being chased by a ferocious tiger. He ran and ran until he came to a sheer cliff. As the tiger came bearing down on him, he grabbed a rope hanging over the cliff and climbed down out of the tiger's reach. The man looked up and saw the tiger fifty feet away leering down and waiting to devour him. Then he looked down and saw jagged rocks sticking up from the ground five hundred feet below. Then he saw two mice beginning to chew into the rope. What to do! What to do! He saw a big, bright red strawberry growing out of the side of the cliff. He stretched out his hand, plucked the strawberry, popped it into his mouth and ate it. Then he said, "Yummy! That was the most delicious thing I've ever tasted." The point is, had the man allowed himself to become pre-occupied with the jagged rocks below (the future) or with the leering tiger above (the past), he would have completely missed the strawberry (the gift that was being offered to him in the present moment).

First Reading: God will bring forth a ruler for Israel from a small and insignificant clan.
How has God worked wonders today through persons not rich and famous?

Second Reading: Jesus always does what God wants.
What lures me away from doing what God wants?

Gospel: Mary is blessed because she believed that what God promised would be fulfilled.
Which of God's promises most inspires me with confidence?

Have your say: Synod of Bishops 2021/23 Parramatta Diocese Response

What would you say to Pope Francis if you had 10 minutes? Catholics across the world are invited to participate in a period of local consultation for the next international Synod of Bishops.

Synod means "coming together" or "travelling with". A Synod brings together Catholics from all over the world to pray and reflect upon where the Holy Spirit is leading the Church. These sort of gatherings have existed since the earliest years of Christianity, when local leaders would come together to pray and make decisions.

One of the most significant Synods was the Second Vatican Council (1962-65). This Council stressed the importance of bishops as local leaders and as collaborators with one another, and encouraged more frequent synodal gatherings of bishops, known as "General Assemblies".

Pope Francis has held a particular interest in the Synod of Bishops. In the year after he was elected Pope, he held an "Extraordinary General Assembly of Bishops" on the topic of vocation and family.

Pope Francis asks all Catholics to participate in this Synod to respond to his call for a 'Listening Church'. The first step for Australian Catholics is participation in a discernment process, whereby they consider their thoughts individually or in groups of family and friends. There are resources to assist at the website created for Parramatta Diocese parishioners found at the link <https://parracatholic.org/synod-of-bishops/>

Parishioners can then upload their responses onto a [portal operated by the ACBC](#). Responses will be accepted up until **27 February 2022**.

Thank you for helping to contribute to Pope Francis' vision of a Listening Church that welcomes all through the discernment of the People of God and the work of the Holy Spirit.

Important Changes to this bulletin—(Please pray for our sick)

As you are aware, this bulletin provides an opportunity within our parish community to share awareness and a reminder of those who are sick (**Please pray for our sick**) and those who have passed away (**Please pray for**). As has always been the practice, everyone has the opportunity to submit names to the Parish Office of those they would like included. In saying that, there comes a time we need to ensure that the list of those named is still current and relevant eg those included as sick may thankfully be recovered and no longer required to be included. Over the coming weeks we will be removing names listed for **Please pray for our sick** where we are unable to determine the person's current status. If you wish to have the name of someone still included, please contact the parish office, preferably by email else feel free to telephone.
