## Planned Giving and weekly envelope printing costs

To assist and enable contributions to our parish Planned Giving program, boxed envelopes are ordered in advance and provided at the start of every financial year. These are an (additional) expense to the parish with each set of envelopes costing about \$15 (also an increase over previous years). To assist in reducing this expense, we are asking parishioners to consider changing to direct debit option. For example, \$1,000 is saved for every 60 odd people that decide to change across.

What can I do to help? If you are in a position to change from paper envelopes to direct debit for 2022/23, or wish to know more about this option, please contact the parish office by Friday 6th May. Direct debits are applied on the first Thursday of every month.

It is important to note that although direct debit is a monthly deduction, the amount can be changed at any time through the financial year.

Thank you for your contributions and generosity — it is deeply and sincerely appreciated.

## Sacraments received last weekend

To Alysia, Caleb and Clara who were baptised on Easter Sunday and congratulations also to Ropeti, Lomigafou and Iliganoa who received the Sacrament of Eucharist and Confirmation last weekend at the Saturday Easter Vigil Mass. We pray that their faith will be an important and integral part of their lives.

At any time, if you have any unused stamps, please place them in the box in the Church foyer else drop off to the Parish office. These stamps are forwarded to the Mission which are sold to support their charitable works. It doesn't matter if you have a small amount of stamps and they are all gratefully welcomed. Thank you again for your continued generosity.

## Feast Day: Saint Pius V (April 30th)

This is the Pope whose job it was to implement the historic Council of Trent. The family of God had been shaken by corruption, the Reformation and constant threat of Turkish invasion. He ordered the founding of seminaries for proper training of priests, published a new missal, new breviary, new catechism, and established Confraternity of Christian Doctrine classes for the young. Pius zealously enforced legislation against abuses in the Church, patiently served the sick and poor by building hospitals, providing food for the hungry, and giving money customarily used for papal banquets to poor Roman converts. His decision to keep wearing his Dominican habit led to the custom to this day of the Pope wearing a white cassock. In striving to reform both Church and state, Pius encountered vehement opposition from England's Queen Elizabeth and the Roman Emperor Maximilian II. He spent long hours with his God in prayer, fasted rigorously, deprived himself of many customary papal luxuries, and faithfully observed the spirit of the Dominican Rule that he had professed.

**Other Feast Days this week include** - [Saint Mark \(25th\)](#) Author of the second Gospel; [Saint Peter Chanel \(28th\)](#) Fijian Missionary, who within two years after being clubbed to death, the whole island of Futuna became Catholic; [Saint Catherine of Siena \(29th\)](#) Offered herself and her suffering as a "victim" for the renewal of the Church with her deathbed prayer a model of love poured out for all who follow Jesus Christ and desire the unity of the Church in our day "Oh eternal God, receive the sacrifice of my own life on behalf of the mystical Body of Holy Church. I have nothing else to give except what You have given me."

## From Father Raining

In Florence, Italy, a young artist laboured long and hard over a marble statue of an angel. When finished, he was so proud of what he had done, he asked Michelangelo to examine it. The young artist stood alongside as Michelangelo examined his work. No master looked over the work more carefully - it was perfect in every detail. The young artist waited, but his heart broke when Michelangelo said, "It lacks only one thing," and then walked away. For days the artist could neither eat nor sleep. He decided to call upon Michelangelo at his studio and ask, "What is this one thing my work lacks? Please, tell me, I must know!" Michelangelo responded, "It is perfect in every detail. Your work is magnificent. It only lacks one thing, life itself!" Now the master could not pay any artist a finer compliment, but the young man knew that without life, the best he could achieve was to convert an ugly mass of stone into a beautiful mass of stone. Life was the essential ingredient his creation lacked.
