Carpark update

You may have noticed some deterioration in the carpark around the Church due to heavy traffic in certain areas. We are currently looking at options for repairs and in the meantime advise carpark users to exercise caution especially where it may be a trip and fall hazard. In terms of the scheduled fencing works alongside the Church, at this stage they will held off till the next school holidays.

Calling all green thumbs

We continue to be truly blessed with the magnificent gardens throughout our Church grounds and is the result of the labours of love of our volunteer gardeners. A constant source of admiration by many and never cease to impress by their beauty and vibrancy. We've all heard the saying many hands make light work and this is especially true for our gardens. If you are able to volunteer some time to assist with our gardens, we would love to hear from you. Any help would be greatly welcomed and please contact the Parish office to find out more.

Prayer to Mary, Help of Christians: Australia's Patroness

Lord, you place deep in our hearts the love of Mary, help of Christians. Through her prayers grant wisdom to our leaders and integrity to our Citizens. Under her protection may Australia be granted harmony, justice and peace. We ask this through Christ our Lord. Amen.

From Father Raining

There are three kinds of givers: the flint, the sponge, and the honeycomb. Which kind are you? To get anything from the flint, you must hammer it. Yet, all you get are chips and sparks. The flint gives nothing away if it can help it, and even then only with a great display. To get anything from the sponge, you must squeeze it. It readily yields to pressure and the more it is pressed, the more it gives. Still, one has to squeeze it. To get anything from the honeycomb, however, one must only take what freely flows from it. It gives its sweetness generously, dripping on all without pressure, without begging or badgering. The honeycomb is a renewable resource. Unlike the flint or the sponge, the honeycomb is connected to life; it is the product of the ongoing work and creative energy of bees. If you share like a honeycomb giver your life will be continually replenished and grow as you give. When we share we freely give and we acknowledge that all we have is on loan and others have as much right to the things of God's creation as we do.

First Reading: Qoheleth feels like life passes quickly and often seems meaningless.

What has made my life most meaningful?

Second Reading: Paul urges us to put off our old self and put on a new self that is like Jesus.

What can I do this week to change my words and actions to be more like those of Jesus?

Gospel: Jesus warns us to guard against greed and amassing of possessions.

What can I give away this week to help those who are poor and in need?

Important changes to this bulletin

As you are aware, this bulletin provides an opportunity within our parish community to share awareness and a reminder of those who are sick (**Please pray for our sick**) and those who have passed away (**Please pray for**). As has always been the practice, everyone has the opportunity to submit names of those they would like included. There also comes a time we need to ensure the list is still current and relevant eg those included as sick may thankfully be recovered and no longer required to be included. Over the coming weeks we will be again removing listed names. If you wish to have the name of someone still included, please contact the parish office, preferably by email else feel free to telephone.

Please pray for our sick

Heavenly Father, We pray that you will lay your healing hands upon all those who are sick. We ask you to have compassion on all who are suffering so that they may be delivered from their painful circumstances. May they know that you are always with them, especially through difficult times. Amen
