Mother's Day reflection from a parishioner

Motherhood. There are many adjectives that come to mind: fulfilling, joyful, patience, nurturing, compassionate, hard-working, stressful, resilience. However, the two that best describes motherhood for me are they're a privilege and a responsibility. I feel blessed that I have had the privilege to raise three children in the Catholic faith, with the support of the wonderful Catholic schools that educated them with faith as a moral compass.

The responsibility of a mother is a lifelong journey and a tough balance between discipline, rules and relationships, with the hope that as adults they will grow to appreciate the dedication and love you have given them.

When my children were at school, I use to ask them every day to list three good things that happened at school during dinner. For a while my son would say "lunch", "recess", "bell time", but eventually he came to enjoy joining the conversation with my girls. It became our family ritual, a time to make sure we could all connect and spend in each other's company during our busy lives. On tougher days, I would look forward to these times with my family. My intention was by keeping the conversation focused on the positives, it allowed us all to realise that there was always a part of the day that we could enjoy. I still ask my adult children every day, "how was your day?" These days they can answer with both positives and negatives without dwelling on the negatives. I am grateful they could grow into positive, optimistic adults as mental health is so important, now more than ever. As all mothers are on a journey, learning alongside their family, I pray you too can guide your children through their childhood, relationships, hardships and all through life with faith and positivity.

To all the mothers at St Pauls, I wish you a wonderful Mother's Day. Julie Ogle

Happy Mothers Day with a reflection from Saint John Paul II

In every stage of the march through history, the Church has benefited from the prayer and protection of the Virgin Mary. Holy Scripture and the experience of the faithful see the Mother of God as the one who is united with the Church at the most difficult moments in her history, when attacks on the Church become most threatening. Precisely in periods when Christ, and therefore his Church, provokes premeditated contradiction, Mary appears particularly close to the Church, because for her the Church is always her beloved Christ.

Planned Giving, Weekly Envelopes and Direct Debit

To assist in reducing expenses for printing and supply of planned giving envelopes, we are asking parishioners to consider changing to direct debit option before the start of the next financial year. If you are in a position to change from paper envelopes to direct debit, or wish to know more about this option, please contact the parish office. Direct debits are applied on the first Thursday of every month. It is important to note that although direct debit is a monthly deduction, the amount can be changed at any time during the financial year.

First and second collections and Tap and Go facility explained

As you are aware, there are two collections at our weekend Masses. There is a difference between these in terms of allocation of funds: <u>First Collection</u>: primarily supports the clergy across our Diocese. This provides the monthly stipend for our clergy and in addition provides for care and health of clergy both current and retired.

<u>Second Collection</u>: provides for our specific parish (ie St Paul's) expenses. These include both our Church and Office and in respect of our various ministries, and includes all operating and maintenance costs, liturgical provisions and insurance.

<u>Tap and Go terminal:</u> These do not specifically take the place of the first and second collections, or the weekly envelope offerings, and provide a convenient alternative for those wishing to make a donation. Contributions from these terminals are allocated as follows: 30% to the first collection and 70% to the second collection.

As always, thank you for your ongoing and generous financial support of our Parish and if you want to know more about how to contribute or financially support our parish, please contact the parish office.
