## Lent - It's closer than you think it is !

Even though we just entered the season of Ordinary Time, we need to be quite mindful that the season of Lent will commence in just one month from now on Ash Wednesday, February 18<sup>th</sup>.

Lent is the 40 day season of preparation for the Paschal Triduum. We are encouraged during our Lenten journey to turn away from our worldly distractions and journey home to God.

As much as the period of Lent is used for fasting, prayer and almsgiving in preparation for Easter, there is no harm for us to also prepare in advance for Lent in giving thought what we want to achieve during Lent.

In order to assist us on our Lenten journey and to provide opportunity for fellowship, our parish again will conduct a Lenten Program. The theme for 2026 is *Compassio* sourced from the Diocese of Wollongong.

As in previous years, our parish will conduct Lenten Discussion groups within our Marian Chapel on a weekly basis during the Lenten season. We also understand that some parishioners will hold their own groups e.g. with family or friends at home, where they may feel more comfortable.

## We need group leaders to make this possible

Our Church based discussion groups are led by our parishioners, and for which we are deeply grateful. If you are available to assist in leading one of our groups one night per week we'd love to hear from you! You can do it in tandem with another person or take turns over alternate weeks - whatever works for you. Group leaders will be provided with the program resource which contains all information and what to cover. There is not much preparation required and you don't need to be an expert on matters of faith and religion. If you are interested please contact the parish office as soon as practical to have a chat.

## How do I join a Lenten Discussion group?

Once group leaders have been determined then we can promote and invite people to attend; as it will depend on the weeknight these leaders are available (and will of course be the same day each week).

In the meantime, if you would like to reserve a copy of the *Compassio* booklet for this program, please add your details on the order sheet as you enter the Church. These are available free of charge. To find out more about the program or view a sample of the resources please visit [dow.org.au/shop/](http://dow.org.au/shop/)

## Please pray for our sick ...

*Heavenly Father, We pray that you will lay your healing hands upon all those who are sick. We ask you to have compassion on all who are suffering so that they may be delivered from their painful circumstances. May they know that you are always with them, especially through difficult times. Amen*

## Moments of Mercy

Souls that make an appeal to My mercy delight Me. To such souls I grant even more graces that they ask. I cannot punish even the greatest sinner if he makes an appeal to my compassion, but on the contrary, I justify him in My unfathomable and inscrutable mercy. (*Diary 1146*).

## Annual Legal Red Mass: Tuesday, February 3<sup>rd</sup>

This long-standing tradition, dating back to the 13<sup>th</sup> century, marked the official term opening for most European courts and coincided with the Sacred Roman Rota, the Catholic Church's supreme judicial body. The Red Mass serves as a link between the legal profession and the church, attracting senior judges, politicians, lawyers, and other legal professionals each year. The Very Reverend Robert Riedling, Dean of St Patrick's Cathedral, Parramatta cordially invites members of the judiciary and legal community, public service officials, law students and their families to the annual Red Mass. Held on Tuesday, February 3<sup>rd</sup> at 7:00pm at St Patrick's Cathedral and refreshments will be served following the Mass. Please RSVP by Friday, January 30<sup>th</sup> to [enquiry@stpatscathedral.com.au](mailto:enquiry@stpatscathedral.com.au) or call 02 8839 8400

## Hearing Loop in the Church

Our Church building for many years has had installed and operational a hearing loop, or audio induction loop. It is a special type of sound system for use by people with hearing aids. The hearing loop provides a magnetic, wireless signal that is picked up by the hearing aid when it is set to 'T' (Telecoil) setting. We are keen to get any feedback on the effectiveness of this, especially if there is scope for improvement. Please feel free to email or contact the parish office.
